

Carlos Luna-Peña

Computer Science @ Texas A&M

carlunpen@gmail.com • github.com/clmoon2 • linkedin.com/in/carlos-luna • College Station, TX

EDUCATION

Texas A&M University

College Station, TX

B.S. in Computer Science • Major GPA: 3.62/4.00

Aug. 2023 — Present

- Selected Coursework: CSCE 331, Algorithms, Operating Systems, AI, Security, Data Structures & Algorithms.
- Writing-intensive work with specs, user stories, demos, and peer evaluation.

EXPERIENCE

AIPHRODITE

College Station, TX

Technical Lead & Full Stack / ML

Sep. 2025 — Present

- Implemented CV tagging and search with FastAPI and PostgreSQL; improved tagging accuracy across items.
- Designed an outfit recommender, increasing click-through rates on recommended outfits.
- Led a team for sprints and PR reviews, reduced rework by improving demo readiness.

applyeasy.tech

Remote

Founder & Full-Stack / Automation Engineer

2025

- Productized job-application automation; built applyeasy.tech for resume and deck generation.
- Orchestrated backend with n8n using OpenAI and Google APIs; optimized for efficiency and reliability.
- Built React Native app for mobile role review, preference tweaks, and outreach monitoring.

PROJECTS

carlosOS (Educational Operating System)

In Progress

- Implemented bootloader and kernel entry; designed process model and syscalls.
- Documented setup for QEMU-based debugging and process extension.

Aggie Events

Aug. 2024 — Present

- Developed search and event detail pages with React; improved UX with responsiveness.
- Optimized Postgres queries and extended schemas; decreased latency in key queries.

ApplyEasy Job Automation Engine

2025

- Built job automation engine with n8n, integrating APIs for resume generation.
- Implemented error handling and logging mechanisms for robust operations.

TECHNICAL SKILLS

Languages: TypeScript, Python, C/C++, SQL

Frameworks: React, Next.js, Tailwind, Node.js, FastAPI

Tools: Git, GitHub Actions, Docker, QEMU, n8n, Apify, LaTeX

Concepts: AI/Automation, RAG, REST APIs, Database Design
